Dear friend,

The America-Nepal Friendship Society (ANFS) Awards Committee invites nominations from individuals for the **ANFS Community Leadership Award** to be presented to selected candidates at the Nepali New Year Event on April 8, 2006.

Each year, the America-Nepal Friendship Society (ANFS) recognizes individuals whose activities and contributions have directly enhanced the bonds and close friendship between the people of the United States and Nepal. In acknowledgement of these outstanding individuals, we have established the ANFS Friendship Award, the ANFS Community Leadership Award and various Certificates of Recognition, Participation, Excellence, Commendation and Appreciation.

The ANFS Community Leadership Award is given to those who have made significant contributions to Nepali community building locally and/or in Nepal. The Awards may include Plaques with engraved Citations or Certificates.

The Awards Committee will make the final selection and recommend the selected candidates to the ANFS Executive Committee for final approval. Only the selected candidates will be notified by mail.

Each nomination should include:

1. Full name of the nominee
2. Complete address of the nominee, including telephone number and email address
3. Description of the nominee's contributions- activities, projects, and publications or any other pertinent information relevant to the purpose of the Awards as stated above.

Completed nominations should be post marked no later than **March 8, 2006**. Please submit your nominations to:
