Dear Friend,

The America-Nepal Friendship Society (ANFS) applauds your continuing interest in issues that we all care so deeply about. ANFS is an association of individuals engaged in bringing the people of the United States and Nepal closer together in understanding, appreciation and cooperation. It is a tax exempt, nonprofit, and nonpolitical organization devoted to cultural, educational and public affairs, and to discussions, exchanges and studies in the vital interests of our combined community.

The success of ANFS is dependent upon recruiting committed friends and supporters, like you, who are willing to devote the time and effort necessary to make a difference. Currently, the organization is going through a critical restructuring stage in an effort to increase its relevance. Those of us who are involved in the process are very excited to be a part of this volunteer organization and believe sincerely in this partnership between American and Nepali people and its potential. We are confident that you, too, will enjoy this affiliation and hope that you will join us in our fellowship.

ANFS is a committed organization with a growing membership. Over 95 percent members are life members. We are very proud of their commitment and are actively working to expand our circle of friends.

Please fill out the attached membership form and return it to the address provided. Please feel free to contact one of us with any questions you may have.

We look forward to hearing from you. Thank you.

Sincerely,

Parita Rajbhandari  
President
